**HISTORICAL INVESTIGATION**

**STAGE 1**  
Understanding the Inquiry Question

You have been tasked by Sir Stamford Raffles to search for a new location to establish a trading post for the British Empire. This post should meet the following requirements:

- Excellent geographical location to make connections with the world.
- The leaders of the location should be willing to work with you.

Reports have come in at a potential site named "Singapore". This site is rumoured to be a sleepy fishing village. Your job is to determine if it is true that Singapore is a suitable place to establish a trading post, or if this place is not suitable, then reject it back to Sir Stamford Raffles.

The Inquiry Question:  
**Was Singapore a sleepy fishing village before 1819?**

Where and when did the event take place?

# CHIJ St. Theresa's Convent

## Why Full SBB?

- Full SBB is part of MOE's ongoing efforts to nurture the joy of learning and develop multiple pathways to **cater to the different strengths and interests of our students.**
- We want to:

**Allow greater customisation of learning to develop each child to their fullest potential**

**Mitigate the inadvertent labelling and stigmatisation due to streaming**

**Facilitate access to post-secondary pathways that cater to students with different strengths and learning pace**

# CHIJ St. Theresa's Convent

How will Full SBB look like in our school?

Today's form classes

With Full SBB:  
Form classes

- We will no longer need to organise classes by streams as they can now be organised around students' subject-specific strengths.
- Students in **mixed form classes** will also take subjects such as Art, CCE and PE together, offered under a **common curriculum**.

Simple in Virtue

Steadfast in Duty

# CHIJ St. Theresa's Convent

## How will Full SBB be implemented?

### Mixed Sec 1 form classes

Illustrative Example:

- Students in the same form class will learn a common curriculum for six subjects comprising ~1/3 of curriculum time:
  - Art
  - Character & Citizenship Education (CCE)
  - Design & Technology (D&T)
  - Food & Consumer Education (FCE)
  - Music
  - Physical Education (PE)
- For other subjects (English Language, Humanities, Mathematics, Mother Tongue Languages and Science), students will attend classes with others taking the subject at the same subject level, regardless of their course of study.

# CHIJ St. Theresa's Convent

## How will Full SBB be rolled out in our School?

Implementing **mixed form classes with the provision of a common curriculum (CCE, Music, PE, Art, D&T, FCE)**

We are **organising form classes in new ways** to include students from different courses.

- They will take a **common curriculum** for lower secondary CCE, Music, PE, Art, D&T, FCE which will account for one-third of curriculum time.

**Common Curriculum:**  
CCE, Music, PE, Art, D&T, FCE

# CHIJ St. Theresa's Convent

## How will Full SBB be implemented?

### Common Curriculum Subjects

#### Common Curriculum Subjects

##### Examinable Subjects:

- Art
- Design & Technology (D&T)
- Food and Consumer Education (FCE)

##### Non-examinable Subjects:

- Character & Citizenship Education (CCE)
- Music
- Physical Education (PE)

The six common curriculum subjects would each have a single syllabus for all students at Lower Secondary levels.

- Content and learning outcomes of these subjects are taught at a common level that is accessible by all students.
- Teachers will adopt a range of approaches to teach the subjects catering to the different learning needs of their students.
- Students will learn the basics of the subjects from Secondary One and deepen their learning over the two years. They will also have opportunities to learn from different tasks and assignments tailored to their learning progress.

# CHIJ St. Theresa's Convent

## How will Full SBB be implemented?

### Existing Subject-Based Banding (SBB) Provisions

- For students posted through Posting Group 3, they will take all non-common curriculum subjects at the Exp level.
